Save the Date for The Sylvia Center's
12th Annual Farm Table
Saturday, July 13, 2019

Hosted by Great Performances
In the fields of Katchkie Farm
Kinderhook, NY

This summer, please join us for a beautiful evening in the fields of Katchkie Farm. Together, we will enjoy cocktails, good food, and great company while supporting The Sylvia Center's Columbia County programs.

For twelve years, the Farm to Table Dinner has made possible a growing number of partnerships with local schools and youth organizations. When you join us at the farm, you are helping local young people learn how to enjoy fresh foods, prepare nutritious meals, and access the bounty of Columbia County.
